

ILSI Taiwan 2016 Annual Meeting and Scientific Symposium

Food Safety Risk Assessment: The Science of Risk Evaluation, Practice Guidelines, and Implications for Assuring Domestic Food Safety

Date: April 22, 2016 (Friday)

Venue: International Conference Hall, Tsai Lecture Hall 1F, College of Law, National Taiwan University
No. 1, Sec. 4, Roosevelt Road, Taipei (campus entrance #2 at Xinhai Rd. and Fuxing S. Rd. intersection)

Organizer: International Life Sciences Institute (ILSI) Taiwan

Co-Organizers: Graduate Institute of Food Science and Technology, National Taiwan University (NTU);
Taiwan Association for Food Science and Technology

Master of Ceremonies: Dr. Fannie C.F. Kuo

(Chair, Dept. of Food Science, Nutrition, and Nutraceutical Biotechnology, Shih Chien University)

Time	Agenda
08:30	<i>Registration Hours (08:30-15:00)</i>
09:00	Opening Remarks
09:10	<p>【Keynote Speech】 Risk Assessment and Risk Management of Food Safety Dr. Junshi Chen Chair, Codex Committee on Food Additives <i>Moderator: Dr. Lu-Hung Chen</i> Board Director, ILSI Taiwan</p>
09:50	<p>Managing Taiwan's Food Sanitation and Food Safety from a Risk Analysis Point of View Dr. Wei-Chih Cheng Senior Technical Specialist, Food Safety Division, Taiwan Food and Drugs Administration (TFDA) <i>Moderator: Dr. Cheng-Chun Chou</i> Professor Emeritus, Graduate Institute of Food Science and Technology, NTU</p>
10:20	<i>Tea Break</i>
10:40	<p>Background Monitoring and Health Risk Assessment of Non-Dioxin-Like PCBs Dr. Ching-Chang Lee Distinguished Professor, Dept. of Environmental Health, National Cheng Kung University (NCKU) and Director of Center for Environmental Protection, Safety, and Health, NCKU <i>Moderator: Dr. An-I Yeh</i> Distinguished Professor, Graduate Institute of Food Science and Technology, NTU</p>
11:10	<p style="text-align: center;">International Life Sciences Institute: Operating Principles and the Role of Communications Michael Sherriffs Director of Communications, ILSI Global</p>
11:30	<p style="text-align: center;">Annual Meeting (Assembly of Members – International Conference Hall) Risk Analysis Video Clip Screening (General Audience – Rm 1401, 4F)</p>
12:00	<i>Lunch</i> (Rms 1401, 1402, 1403, 4F)

13:20	<p align="center">Dietary Exposure Estimates for Food Additives in Taiwan Dr. Min-Pei Ling Assistant Professor, National Taiwan Ocean University <i>Moderator: Dr. Yi-Ting Kao</i> Section Chief, Food Safety Division, TFDA</p>
13:50	<p align="center">From Food Sanitation to Food Fraud: The Evolution of Food Safety Issues and Countermeasures in Taiwan Dr. Jih-Heng Li Professor of Toxicology, School of Pharmacy, Kaohsiung Medical University and President, Pharmaceutical Society of Taiwan <i>Moderator: Dr. Yueh-Ing Chang</i> Executive Director, ILSI Taiwan</p>
14:20	<p align="center">Safety Assessment of Novel Food Materials Dr. Chen-Chang Yang Professor and Chair, Institute of Environmental and Occupational Health Sciences, School of Medicine, National Yang-Ming University <i>Moderator: Dr. Ting-Jang Lu</i> Professor and Director, Graduate Institute of Food Science and Technology, NTU</p>
14:50	<p align="center"><i>Tea Break</i></p>
15:10	<p align="center">Constructing a Platform for Knowledge Transferal and Communication in Taiwan: The National Environmental Health Research Center Example Dr. Pinpin Lin Associate Director and Investigator, National Institute of Environmental Health Sciences, National Health Research Institutes <i>Moderator: Dr. Ming-Ju Chen</i> Professor, Department of Animal Science and Technology, NTU</p>
15:40	<p align="center">The Role of Law in Food Safety and Risk Assessment Dr. Kuei-Jung Ni Professor, Institute of Technology Law, School of Law, National Chiao Tung University <i>Moderator: Dr. Shu-Gong Chen</i> Deputy CEO, Office of Food Safety, Executive Yuan</p>
16:10	<p align="center">General Discussion <i>Host: Dr. Lucy Sun Hwang</i> President, ILSI Taiwan</p>
16:50	<p align="center">Closing Ceremony</p>
14:00 – 15:00	<p align="center">Press Conference (Rm 1710, 7F, College of Law, National Taiwan University)</p>
