

Maternal and Child Nutrition Improvement in Southeast Asia Region

Ongoing Research

A Scoping Review on Maternal Nutrition Status on Maternal Health and Birth Outcome in Malaysia
In collaboration with Universiti Sains Malaysia

Vitamin D Status and its Correlates among Pregnant Thai Adolescents
In collaboration with Mahidol University, Thailand

A Review of the Situation and Factors Affecting the Nutritional Status of Filipino Pregnant Women
In collaboration with the Institute of Human Nutrition and Food, College of Human Ecology, University of the Philippines Los Baños

List of Expert Consultations

1st Expert Consultation and Planning Meeting on Infant and Young Child Nutrition

March 12-13, 2009, Singapore

2nd Expert Consultation and Planning Meeting on Infant and Young Child Nutrition

April 18, 2011, Singapore

3rd Expert Consultation and Planning Meeting on Infant and Young Child Nutrition

July 12-13, 2012, Singapore

4th Expert Consultation on Maternal, Infant and Young Child

August 14, 2014, Jakarta, Indonesia

5th Expert Consultation on Maternal, Infant and Young Child Nutrition – Updates on Zinc & Vitamin D Nutrition, Maternal Diet & Gestational Weight Gain

August 12, 2016, Phnom Penh, Cambodia

6th Expert Consultation on Maternal, Infant and Young Child Nutrition

July 25, 2017, Bangkok, Thailand

List of Seminars and Workshops

Seminar on Infant and Young Child Nutrition: Improving Nutrition and Health Status of Young Children in Indonesia
